

servo_initialisation

```
graph LR; A[servo_initialisation] --> B[servo_pwm_angle_degree]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'servo_initialisation'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a dark gray border and contains the text 'servo_pwm_angle_degree'.

servo_pwm_angle_degree
